TIREE UNDER THE RULE OF ARGYLL. The latest development of the Tiree farce is the following advertisement: - "Wanted, a London Presbyterian minister to visit Tiree and ascertain the condition of the crofters and fishermen in the island, with the view of delivering lectures on the subject in England. Gentlemen relying on the favour of Presbyteries, Synods, or cliques of place wire-pullers are requested not to respond to this advertisement. Application, &c., &c."
